

Our initiatives have saved taxpayers over \$40.09 billion so far

To: My friends

From: Tim Eyman

I have been fighting for taxpayers for 20 years.

- 1997 – Initiative 200 – banned racial and gender preferences in public education, public employment, and public contracting.
- 1998 – Initiative 691 – lowered car tab taxes
- 1999 – Initiative 695 – \$30 car tabs and voter approval for tax increases.
- 2000 – Initiative 722 – 2% cap on property tax increases
- 2001 – Initiative 747 – 1% cap on property tax increases
- 2002 – Initiative 776 – \$30 car tabs
- 2003 – Initiative 807 – reestablishing state tax and spending limits
- 2004 – Initiative 864 – 25% reduction in property taxes
- 2005 – Initiative 900 – state auditor empowered to do performance audits of state & local government agencies
- 2006 – Initiative 917 – \$30 car tabs

These early initiatives have saved taxpayers \$40.094 billion (2000-2017).

For the next 10 years, my mission has been focused on stopping tax increases:

2007 – I-960 reestablished the 2/3 vote requirement for the Legislature to raise taxes.

NO TAX INCREASES IN 2008 AND 2009

2008 – I-985 improved transportation using existing taxes instead of raising taxes.

2009 – I-1033 capped the growth of government, lowered property taxes.

2010 – I-1053 reestablished the 2/3 requirement after the Legislature repealed it. We raised money but it wasn't enough, so during the signature drive, Tim loaned the campaign \$250,000 by mortgaging his home. 65% of voters approved it.

2011 – Initiative 1125 limits vehicle taxes, especially tolls **(NO TAX INCREASES)**

2012 – Initiative 1185 renewed the 2/3 requirement **(2 SMALL TAX INCREASES)**

2013 – Initiative 517 protected the initiative process **(NO TAX INCREASES)**

2014 – I-1325 pushed for 2/3-for-taxes const. amendment **(NO TAX INCREASES)**

2015 – Initiative 1366 pushing for a 2/3-for-taxes constitutional amendment.

2016 – Pushed for a 2/3-for-taxes constitutional amendment **(NO TAX INCREASES)**

2017 – Initiative 947 "Bring Back Our \$30 Car Tabs Initiative"

2018 – Initiative 976 "Bring Back Our \$30 Car Tabs Initiative" – 2018's "We Don't Want An Income Tax" – Lawsuit: "*Eyman v Wyman*" – Lawsuit: "*Eyman v Davidson*" – **(NO TAX INCREASES)**

Taxpayers have benefited tremendously from these successes. **This is a great track record of achievement. I ask you to please help support my efforts.**
