I have been fighting for taxpayers for 22 years.

- 1997 – Initiative 200 – banned racial and gender preferences in public education, public employment, and public contracting.
- 1998 – Initiative 691 – lowered car tab taxes
- 1999 – Initiative 695 – \$30 car tabs and voter approval for tax increases.
- 2000 – Initiative 722 – 2% cap on property tax increases
- 2001 – Initiative 747 – 1% cap on property tax increases
- 2002 – Initiative 776 – \$30 car tabs
- 2003 – Initiative 807 – reestablishing state tax and spending limits
- 2004 – Initiative 864 – 25% reduction in property taxes
- 2005 – Initiative 900 – state auditor empowered to do performance audits of state & local government agencies
- 2006 – Initiative 917 – \$30 car tabs

These early initiatives have saved taxpayers \$43.03 billion (2000-2019). In subsequent years, the focus has been mainly on stopping tax increases:

- 2007 – I-960 reestablished the 2/3 vote requirement for the Legislature to raise taxes.
NO TAX INCREASES IN 2008 AND 2009
- 2008 – I-985 improved transportation using existing taxes instead of raising taxes.
- 2009 – I-1033 capped the growth of government, lowered property taxes.
- 2010 – I-1053 reestablished the 2/3 requirement after the Legislature repealed it. We raised money but it wasn't enough, so during the signature drive, Tim loaned the campaign \$250,000 by mortgaging his home. 65% of voters approved it.
- 2011 – Initiative 1125 limits vehicle taxes, especially tolls **(NO TAX INCREASES)**
- 2012 – Initiative 1185 renewed the 2/3 requirement **(2 SMALL TAX INCREASES)**
- 2013 – Initiative 517 protected the initiative process **(NO TAX INCREASES)**
- 2014 – I-1325 pushed for 2/3-for-taxes const. amendment **(NO TAX INCREASES)**
- 2015 – Initiative 1366 pushing for a 2/3-for-taxes constitutional amendment.
- 2016 – Pushed for a 2/3-for-taxes constitutional amendment **(NO TAX INCREASES)**
- 2017 – Initiative 947 "Bring Back Our \$30 Car Tabs Initiative"
- 2018 – I-976 \$30 Tabs Initiative & lawsuit "*Eyman v Wyman*" – **(NO TAX INCREASES)**
- 2019 – I-976 \$30 Tabs Initiative, I-1082 Term Limits on Taxes (expires \$27 billion tax increase), Give Them Nothing referendum (veto politicians' massive salary bonuses), & We Don't Want An Income Tax Initiative (overturns any income tax)

Taxpayers have benefited tremendously from these successes. **Please help me survive the AG's political assault. If he stops me, you might be next.**
